SUPPORTED LIVING

QUALITY CARE AND SUPPORTS

OUR MISSION

Support individuals to achieve their dreams through

Partnership: listening, negotiation, working together, and support

Collaboration: working with the whole team: families and/or guardian, medical specialists, other service providers, and community resources

Execution: follow-through, returning phone calls, providing appropriate staffing, and a person-centered approach.

OUR STAFF

Our staff receive general and person-specific training. Staff are matched to individuals based upon personality and personal preferences.

Quality Assurance

We are committed to quality assurance and will conduct regular consumer satisfaction surveys, ensure we have qualified staff, and will engage in ongoing consultations about services. The quality of our services is of utmost priority.

AVAILABLE SERVICES

for DD, Autism and Support Services Waivers, as well as Indiana State Line funding

Residential Services:

Providing training for household tasks, supervision, and participation in community activities.

Community Habilitation:

Providing group or one-on-one training to acquire skills in the community, use public transportation, and volunteer.

Respite:

Providing a break for the caregiver or family. This allows both parties a change in routine.

SERVICES PROVIDED

Individuals can benefit from the services of Starline Community Services through the following programs.

A.COMMUNITY INTEGRATION WAIVER (CIH)

This service allows the individual to receive Residential Support Services in the community by receiving 24-hour care and supervision.

Housing Supports

Starline Community Services provides housing that is modified to meet the needs of the individuals.
